## Career & Technical Education

### HEALTH OCCUPATIONS

The goal of this course is to acquaint the high school student with a true picture of the health occupations that are available. Basic entry-level skills are taught for a variety of health occupations. The student will be objectively introduced via classroom instruction and clinical, supervised experience.

In 2013, 70% of all FEH BOCES Completers went on to some postsecondary education or training.

Health Occupation students can apply to receive articulation credit at the following institutions:

North Country Community  
College Bridge Program  
Canton ATC

### CAREER OPPORTUNITIES INCLUDE

Mechanical Lift—certification (Lift/Stand)

Postsecondary Education

EKG Technician

Phlebotomy Technician

Certified Nurse's Aide

Alzheimer's Technician

American Heart Association  
Health Care Provider CPR/AED  
First Aid  
Pediatric First Aide

\* Hands on experience at Uihlein Living  
Center and Adirondack Living Center

### ACADEMIC CREDIT AVAILABLE

Students can earn academic credit in a two-year program toward graduation for:

- Third Year Math
- Third Year Science
- Fourth Year English
