

NOTICE OF VACANCY

- POSITION:** Anticipated Special Education School Improvement Specialist (SESIS)
(11 month position)
- LOCATION:** BOCES Wide
- DUTIES:**
- The SESIS will work directly with school districts identified through the New York State Office of Special Education planning process to sustain high quality, research-based practices in all academic and school support areas for special education instruction to improve outcomes for students with disabilities.
 - Conduct ongoing analysis of data relating to results for students with disabilities to identify the area(s) of instructional review and improvement for the school district;
 - Work directly with schools to provide training, coaching, technical assistance and resources in order to establish high quality, research-based practices in the areas of literacy, behavioral supports and specially designed instruction for students with disabilities.
 - Prepare and implement district Quality Improvement Plans (QIP) and follow-up on progress.
 - Prepare, submit and manage annual budget and grant requirements.
 - Attend various required meetings Statewide; this position requires frequent travel in New York State.

**GENERAL
QUALIFICATIONS:**

- Minimum qualifications:
- Master's degree in special education, psychology, school psychology, reading or speech and language, or Bachelor's degree in special education, psychology, school psychology, reading or speech and language and a Master's degree in education and/or educational administration.
 - Five years direct teaching or related service experience with students with disabilities at the elementary or secondary level in a classroom setting.
 - NYS Certification in special education, school psychology, speech and language, reading, school administration or related area.
