MCS D to Hold Board Meeting at NFEC

The Malone Central School District plans to hold their regularly scheduled meeting at NFEC this evening. The board has asked for a presentation of our CTE programs. The presentation will include handouts, dialog with the board and a tour of NFEC CTE classrooms. All of our CTE programs, regardless of location, will be referenced in the presentation.

NFEC Senior Breakfast

The annual NFEC Senior Breakfast, including north end New Vision and Salmon River Satellite CTE programs, took place on April 7. The students were treated to a great breakfast. Staff did a wonderful job making the students feel honored and appreciated for their hard work and participation in the various programs. Photos of the event can be found [here](#). Thank you to Tracy Edwards-Warren and Suzanne Rivers for taking and sharing the photos!

AEC National Technical Honor Society Inductions

The 7th annual induction of new members into the AEC National Technical Honor Society Chapter will take place on Wednesday, April 16 at 6:00 p.m. Students are selected based the on the following criteria:
