CTE Students Join Operations & Maintenance

Three CTE students completing their junior year will be joining the Operations and Maintenance staff for the summer. The students submitted applications and were interviewed before being recommended to the Board of Education for summer employment. Alexander Garland, Alec Corter and Matt Gadway can expect a busy and varied work experience over the course of the summer. Part of the experience will be directly related to their CTE program in electrical trades, while other aspects of the work will be in completely different areas. We look forward to these students joining Mr. LaBrake's staff for the summer.

Tupper Lake Central Dedicates Outdoor Classroom

On Thursday, May 28 Tupper Lake Central School dedicated the outdoor classroom constructed by the AEC Building Trades classes. The structure will be placed on Tupper Lake School property that adjoins the Wild Center property. Rick Swanston was on hand for the ribbon cutting. The building has a plaque noting that it was constructed by the AEC Building Trades class. Materials for the project were provided by Rick Dattola – Tupper Lake Supply and Terry & Robin Doolen through a donation to Tupper Lake Central School. Congratulations to Mr. Brockway and the students on a job well done!

Update on NFEC Principal Recruitment

On Thursday, May 28 the first round interview committee facilitated by Rick Swanston reviewed the applications and selected five candidates that will interview with the committee on Thursday, June 4.
