

FEH BOCES News and Notes June 23, 2015

Best Wishes for an Enjoyable Summer

With students already enjoying summer break or about to, I wish everyone best wishes for an enjoyable summer. Thank you for an excellent year! I hope everyone gets some time to enjoy the good weather and the beauty of the region where we live. News and Notes will appear again on June 30 and then go to an every other Tuesday schedule for July and August.

North End New Vision Ceremonies

The New Vision Health Careers ceremony was held on June 17 at Alice Hyde Medical Center, followed the next day by the New Vision Government and Law ceremony at the Franklin County Court House. Both ceremonies were well attended and appreciated by family, friends and school personnel. The programs for both ceremonies can be found [here](#).

High School Graduation Ceremonies

Many of you may be attending high school graduation ceremonies this coming weekend. Students who participated in FEH BOCES programs are often recognized for that participation. 147 graduating seniors in our region have earned a Career and Technical Education endorsement on their diploma. This endorsement requires successful completion of all program requirements and passing a nationally recognized industry standard assessment for the program. This endorsement denotes a high level of achievement indicating that the graduate is ready for post secondary education in the field or direct entry into the workforce. If you have an opportunity, congratulate the graduates on a job well done!
