AEC/NFEC Second Quarter Honor Roll

Demonstrating a *Commitment to Excellence*, students at AEC and NFEC were recently recognized for earning Honor Roll status for the second quarter. A list of students being recognized, can be found [here](#). I encourage you to congratulate students on this achievement. Thank you to the staff working with these students as this accomplishment requires the student and staff to engage in *Collaboration and Teamwork!*

Opportunities to Join our Team

Several of our colleagues have recently retired or indicated their intent to do so in the near future. All of us wish them the best as they move into a new phase of life and we will have the opportunity to honor them later this spring (details to follow). With their departure, our agency is advertising through a variety of methods, but it is often word of mouth that results in many of the applications that are received. I encourage you to check the current and anticipated openings [here](#), and to share the information with highly qualified prospective candidates. Collectively we can take a proactive step in recruiting our new colleagues and team members.

Civil Service Examinations

Related to the topic above is the topic of Civil Service Examinations. Certain positions in our agency are in the competitive Civil Service class. Current employees are encouraged to consider taking appropriate civil service exams for current openings or potential future openings. The opportunity for advancement may not be immediate, but being reachable on a civil service list when a job opening does occur provides potential opportunities. Civil Service exams scheduled in the near future include:

School Food Service Director 2
School Food Service Director I
School Food Service Manager
Administrative Assistant
Senior Records Management Clerk
Specialist, Services for the Aging

Note that exams in many other areas are scheduled as needed. The web site below should be checked frequently if you have a specific area of interest.
