Mark Your Calendar – Retiree Reception Events

Each year we come together to honor members of the BOCES family that are retiring. These events are a great opportunity to celebrate the outstanding careers of our colleagues and to thank them for their services to the BOCES and the students we serve. The event at NFEC for retiring staff located in the north end will take place on June 7 and the event at AEC for retiring staff located in the south end will take place on June 8. Details regarding the events will be forthcoming later this spring.

Retirements and New Programs Create Job Openings

A significant number of retirements and new programs are creating a number of job openings. While our recruitments efforts include print advertising, posting on our website, Facebook posts, posting with the Department of labor and Tweets; we often get highly qualified applicants through word of mouth. I encourage you to share information about our openings through your professional contacts. Openings are listed [here](#).
