

## FEH BOCES News and Notes July 21, 2015

### **Niagara University Tuition Waiver**

The FEH BOCES has a tuition waiver for a graduate level course at Niagara University. The waiver covers 80% of the tuition and is good in either the fall 2015 or spring 2016 semester. Niagara offers a number of on-line graduate courses so this may be accessible even at our distance from Niagara. If you are interested, please contact Stephanie Bannon, Human Resources Coordinator.
