

## **FEH BOCES News and Notes September 15, 2015**

### **AEC Open House September 17**

AEC Open House will occur this Thursday from 4:00 – 6:00 pm. The event is always special, but will take on added meaning as the students, staff, parents and community recognize the 40<sup>th</sup> anniversary of the opening of the Adirondack Education Center! In addition to the normal open house activities, memorabilia from the past 40 years will be on display. All are welcome to attend!

### **Opening at FEH BOCES/Other Area Schools**

The FEH BOCES provides recruitment services for 5 of our component districts and 1 district from the St. Lawrence-Lewis region on a cross contract. Cheryl Felt is the program administrator in charge of this service. Sue Kelley does most of the hands on work in this service. There are currently openings in our agency, as well as, a number of participating school districts. You can see the current openings [here](#). I encourage you to share the information with potential candidates in the North Country and elsewhere. Northern New York; a great place to live, work and play!

### **Malone Rotary and Malone Recreation Park Partner with NFEC Building Trades**

Malone Rotary has purchased \$3,100 worth of materials to roof a pavilion at the Malone Recreation Park. The materials have already arrive and the NFEC Building Trades class has begun work on the project. This is an excellent collaboration between all three entities! Look for photos of Mr. Laymon and the students on the FEH BOCES website in the near future.

### **Reaching New Heights**

Speaking of Mr. Laymon, on Monday, September 7 he climbed Allen Mountain along with Malone Middle School teachers Chris Yaw and Jared Myatt. The summit of Allen was the 46<sup>th</sup> of the 46 high peak summits for all three members of the hiking party. Congratulations to all three on their accomplishment!
