

FEH BOCES News and Notes September 22, 2015

AEC Open House

The AEC Open House took place on Thursday, September 17 and was a terrific success! The event was well attended by students, family and community members. Renee Hertz from Congresswoman Elis Stefanik's office and Mary Pat McDonald from Senator Little's office attended and were impressed with the programs on display. A huge thank you goes out to the entire AEC staff for putting on a great event! The NFEC Open House will take place on Wednesday, October 14.

Program Data Presented to Board of Education

On Thursday, September 17 members of the administrative team presented data on several programs to the board. Data regarding Regional Summer School, Extended School Year and Career and Technical Education was presented. This occurs annually and the board appreciates receiving the information. Data regarding Alternative Education/PASS will be presented at the October meeting. The presentations used at the September board meeting can be found [here](#).

Web Sites/Listserve of Interest

With instant access to information of all kinds, it can be difficult to determine what is useful for our professional work. Occasionally, I will share links to sites and listserve that may be of interest. Here are a couple:

www.fehb.org

The FEH BOCES home page

www.nyctecenter.org

The CTE Technical Assistance Center of New York

www.regents.nysed.gov

The home page for the Board of Regents

If you have a web site or listserve you would like to share, please e-mail to me for sharing in a future issue of News and Notes.

Deadline Approaching

The deadline to register for FEH BOCES Adult and Continuing Education course offerings is October 8. The brochure and registration information can be found [here](#).
