

FEH BOCES Staff News and Notes October 28, 2016

*“The Mission of the Franklin-Essex-Hamilton
Board of Cooperative Educational Services
is to provide shared services to its component
school districts”*

School Board Appreciation Week

October 24-28 is School Board Appreciation week in New York State. The week culminates with the New York State School Board Convention, taking place in Buffalo Thursday through Saturday. Elizabeth Forsell, FEH Board Member from Raquette Lake is attending and representing the FEH Board.

The entire Board was recognized for their service at the October meeting which took place on October 12. Certificates were presented to each member noting their years of service, as well as gift certificates to a local restaurant (funded by donations from members of the administrative team).

The FEH Board is comprised of nine members serving three year terms. When vacancies occur, nominations are made by component boards. The component boards all meet on a designated date in April to cast ballots. The current board members and their terms of office are listed [here](#).

Thank you to all board members for the valuable service you provide!

Welcoming Students, Staff and Visitors at AEC and NFEC

The feeling tone upon entering both AEC and NFEC is very positive. This is primarily due to the warm and welcoming approach of the staff that is part of the culture at each building. The monitors that display student photos, announcement of building activities, and other items of interest also play a part in creating this warm and welcoming environment. Placement of content on the monitors is shared among several staff, but the best way to request placement of content on the monitors is by contracting your program administrator. Recently updated content on the AEC monitor (thank you Freb Hunt-Bull) can be found [here](#). Look for updated student photos on the NFEC monitor in the near future.
