

## **FEH BOCES Staff News and Notes**

### **August 22, 2016**

*“The Mission of the Franklin-Essex-Hamilton Board of Cooperative Educational Services is to provide shared services to its component school districts”*

#### **Staff Survey**

As you are aware, we established several “Areas of Focus for the Entire Agency” at the start of the 2015-16 year. You are encouraged to go to this [link](#) and provide your rating on how we did as an agency in addressing the Areas of Focus during the past year. Please complete the survey by noon on Thursday, September 1. The results of the survey will be shared at our orientation session on September 2.

#### **Follow FEH BOCES on Twitter**

I am Tweeting items related to FEH BOCES, our component districts and education related items. Follow my professional tweets @FEHBOCES. If you have a photo, link or other related material that you would like me to tweet out using @FEHBOCES please pass it along to me. If you are already on Twitter and sharing information about FEH BOCES programs I will look for the opportunity to follow you and RT.

Please note that I have a personal Twitter account that I use personally for items unrelated to my professional work. On behalf of the BOCES I tweet using @FEHBOCES as noted above.

#### **Regional Summer School/Extended School Year**

The FEH BOCES operated Regional Summer School and Extended School Year programs have come to a close. The RSS sites at TL Jr./Sr. High School and NFEC; and the ESY sites at LP Quinn Elementary School and Chateaugay Central all operated very smoothly. Thank you to Tupper Lake, Chateaugay and Malone (Regents testing site) for your collaboration! Thank you to all participating districts, students, staff and families for making these summer programs so successful!

#### **General Orientation**

Just a reminder that all FEH BOCES staff will be participating in our General Orientation at NFEC on Friday, September 2. See the schedule [here](#).
